

Registration to receive the dial-in to join the IAIS Resolution-related Stakeholder Meeting 27 September 2016 (2 to 6pm CEST) by Teleconference

Dear Interested Stakeholders,

Those who intend to participate in the stakeholder meeting via a conference call are kindly asked to read the instructions carefully and register for the meeting well in advance of the call in accordance with the instructions. Please be advised that you might need to wait for a long time before being connected unless you register for the call in advance.

We will use only the Dial in, the webinar functionality will not be used this time.

You can register here in advance of the meeting:

<https://conferencing.swisscom.ch/conference/webinarRegistrationAction.do?conferenceId=3819006>

Registration will be as follows:

1. You will be prompted to enter your details.

The screenshot shows a registration form with the Swisscom logo at the top left. The form is titled "Registration" and contains the following information:

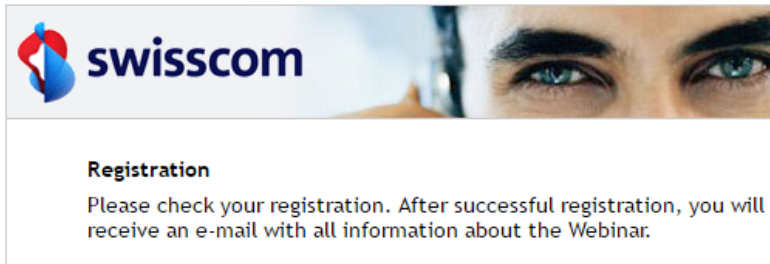

Title:	Bank for International Settlements (BIS)
Date:	27.09.2016 14:00 (CEST)
Description:	There are still places available.

Below this information are three input fields for registration details:

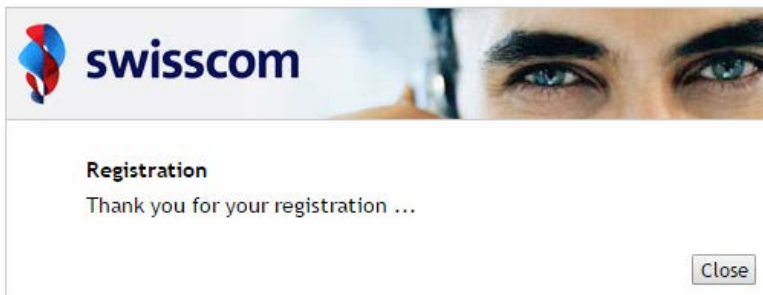

- First name, Name: *
- E-mail: *
- Company: *

A note at the bottom of the form states: "* Required fields are marked with an asterisk." At the bottom right of the form are two buttons: "Cancel" and "Continue".

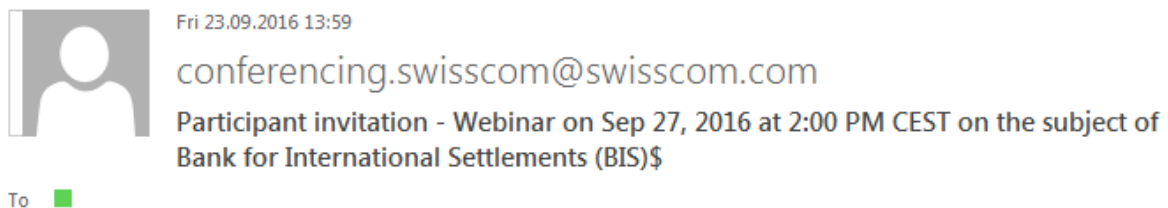

2. You will be asked to review and submit your registration.

3. You will see the confirmation window.

4. You will then receive the invitation with the **dial in numbers, access code and webinar PIN:**
